Re: June Provider Meeting

Our June Provider Meeting scheduled for June 19, 2019 10am-12pm will be a webinar meeting. This meeting was scheduled to be a face to face meeting and Listening Session at our Eastpointe Lumberton site; however, due to conflicts with the Health Plan Meet and Greet being held in Fayetteville, NC from 10am-3pm it is important for our providers to be able to attend this meeting as well.
